Savanna Combs opened a clothing boutique two years ago. Unfortunately, the boutique failed after 18 months. Savanna attributes the failure of her boutique to the facts that her employees couldn't adjust quickly enough to their new roles and that her boutique lacked a "track record" with outside buyers and sellers, which made it difficult to form partnerships and make sales.

1. Aims and Methods of Moral Philosophy. The most basic aim of moral philosophy, and so also of the Groundwork, is, in Kant's view, to "seek out" the foundational principle of a "metaphysics of morals," which Kant understands as a system of a priori moral principles that apply the CI to human persons in all times and cultures. Kant pursues this project through the first two chapters ...

At the commencement of this chapter we considered that which we may call the body of the factory, i.e., machinery organised into a system. We there saw how machinery, by annexing the labour of women and children, augments the number of human beings who form the material for capitalistic exploitation, how it confiscates the whole of the workman's disposable time, by immoderate extension of ...
