Highlights This paper applies the capabilities approach to the broader debate of the role of vocational education and training (VET) in poverty alleviation. The central argument is that VET has an important role to play in poverty alleviation which includes training for employability, but also includes the expansion of other central capabilities.

Reimagining the purpose of VET - Expanding the capability ...

Closing Date: 30 July 2018. As a part of its skills development initiatives Transport Education Training Authority awards bursaries annually for studies aligned to critical and scarce skills identified in the transport sector.
