"A paper students have not seen before" This page offers two whole exam papers that students will not have seen before. As a teacher I find I can never have enough practice of exam style questions and it is getting easier and easier for students to do find past papers online. Of course, it takes the IB about 2 years to write an exam paper from start to finish.

Epigenetics is the study of heritable phenotype changes that do not involve alterations in the DNA sequence. The Greek prefix epi-(ἐπι-"over, outside of, around") in epigenetics implies features that are "on top of" or "in addition to" the traditional genetic basis for inheritance. Epigenetics most often denotes changes that affect gene activity and expression, but can also be used to ...
